

Writing Acceptance Criteria and Tests

Bodleian Project

(27) As a reader, I want the application to work in both portrait and landscape orientation, so that I can choose the way I view material

Acceptance criteria :

- Orientation can be set manually.
- The orientation can be adjusted automatically simply.

Acceptance test :

- Pushing orientation button manually.
- Tilting the tablet / smartphone 90 degrees.
- When portrait mode the book show only one page
- When landscape mode the book show two page

(29) As a reader, I want to be able to adjust font size, so that it is easier to read

Acceptance criteria :

- Font size will be adjusted when pushing the font size button.
- Font size will be adjusted when pinching the screen.

Acceptance test :

- Pushing the font size button and choosing the size with tapping the number.
- Pinching the screen to the outside to get a larger font size.
- Pinching the screen to the inside to get a smaller font size.
