2	10	As a reader, I want to be able to create an account, so that I can save information about my activity for my reference later	Determine how a user creates an account	2	Kat/Daniel			2	
			Write source code for creating an account	4	Kat			4	
			Review source code for creating an account	1	Josh		1		
			Write unit tests for creating an account	2	Kat			2	
			Write acceptance criteria for creating an account	0,5	Josh		0,5		
			Write acceptance tests for creating an account	0,5	Josh		0,5		
			Execute acceptance tests for creating an account	0,5	You				0,5
			Write internal documentation for creating an account	1	Kat			1	
			Write user manual for creating an account	1	Kat			1	
1	11	As an account holder, I want to be able to log into my account, so that I can access my account	Write source code for logging into an account	2	Kat			2	
			Review source code for logging into an account	0,5	Alexa	0,5			
			Write unit tests for logging into an account	2	Kat			2	
			Write acceptance criteria for logging into an account	0,5	Alexa	0,5			
			Write acceptance tests for logging into an account	0,5	Alexa	0,5			
			Execute acceptance tests for logging into an account	0,5	You				0,5
			Write internal documentation for logging into an account	0,5	Kat			0,5	
			Write user manual for logging into an account	0,5	Kat			0,5	
1	14	As an account holder, I want to be able to add reading material to my To-Read list, so that I can read it later	Write source code for adding material to the to-read list	5	Alexa	5			
			Review source code for adding material to the to-read list	1	Josh			1	
			Write unit tests for adding material to the to-read list	3	Alexa	3			
			Write acceptance criteria for adding material to the to-read list	0,5	Josh			0,5	
			Write acceptance tests for adding material to the to-read list	0,5	Josh			0,5	
			Execute acceptance tests for adding material to the to-read list	0,5	You				0,5
			Write internal documentation for adding material to the to-read list	1	Alexa	1			
			Write user manual for adding material to the to-read list	1	Alexa	1			
1	15	As an account holder, I want to be able to delete reading material from my To-Read list, so that it is no longer found on the list	Write source code for deleting material to the to-read list	1	Alexa	1			
			Review source code for deleting material to the to-read list	0,5	Kat			0,5	
			Write unit tests for deleting material to the to-read list	1	Alexa	1			
			Write acceptance criteria for deleting material to the to-read list	0,5	Kat			0,5	
			Write acceptance tests for deleting material to the to-read list	0,5	Kat			0,5	
			Execute acceptance tests for deleting material to the to-read list	0,5	You				0,5
			Write internal documentation for deleting material to the to-read list	0,5	Alexa	0,5			
			Write user manual for deleting material to the to-read list	0,5	Alexa	0,5			
1	16	As an account holder, I want to be able to add reading material to my Favorites list, so that I have all my favorite reading material in one place	Write source code for adding material to the favorites list	5	Alexa	5			
			Review source code for adding material to the favorites list	1	Kat			1	
			Write unit tests for adding material to the favorites list	3	Alexa	3			
			Write acceptance criteria for adding material to the favorites list	0,5	Kat			0,5	
			Write acceptance tests for adding material to the favorites list	0,5	Kat			0,5	
			Execute acceptance tests for adding material to the favorites list	0,5	You				0,5
			Write internal documentation for adding material to the favorites list	1	Alexa	1			
			Write user manual for adding material to the favorites list	1	Alexa	1			
1	17	As an account holder, I want to be able to delete reading material to my Favorites list, so that it is no longer found on the list	Write source code for deleting material to the favorites list	1	Alexa	1			
			Review source code for deleting material to the favorites list	0,5	Kat			0,5	
			Write unit tests for deleting material to the favorites list	1	Alexa	1			
			Write acceptance criteria for deleting material to the favorites list	0,5	Kat			0,5	
			Write acceptance tests for deleting material to the favorites list	0,5	Kat			0,5	
			Execute acceptance tests for deleting material to the favorites list	0,5	You				0,5
			Write internal documentation for deleting material to the favorites list	0,5	Alexa	0,5			
			Write user manual for deleting material to the favorites list	0,5	Alexa	0,5			
2	20	As an account holder, I want to have my reading fluency and reading comprehension level tested, so that I can use it to identify appropriate reading material	Design comprehension testing	3	Josh/Daniel		3		
			Write source code for comprehension testing	5	Josh		5		
			Review source code for comprehension testing	1	Kat			1	
			Write unit tests for searching for comprehension testing	3	Josh		3		
			Write acceptance criteria for comprehension testing	0,5	Kat			0,5	
			Write acceptance tests for comprehension testing	0,5	Kat			0,5	
			Execute acceptance tests for comprehension testing	0,5	You				0,5
			Write internal documentation for comprehension testing	1	Josh		1		
			Write user manual for comprehension testing	1	Josh		1		
3	22	As an account holder, I want the application to track my reading fluency and comprehension improvements, so that I can have material updated to my appropriate skill level	Determine how improvements will be tracked	3	Kat			3	
			Write source code for tracking reading improvements	6	Josh		6		
			Review source code for tracking reading improvements	1	Kat			1	
			Write unit tests for tracking reading improvements	2	Josh		2		
			Write acceptance criteria for tracking reading improvements	0,5	Kat			0,5	
			Write acceptance tests for tracking reading improvements	0,5	Kat			0,5	
			Execute acceptance tests for tracking reading improvements	0,5	You				0,5
			Write internal documentation for tracking reading improvements	1	Kat		1		
			Write user manual for tracking reading improvements	1	Kat		1		
3	31	As a reader, I want to select unknown words to see their definition, so that I can learn the definition and pronunciation of new words	Determine how the definition tool works	3	Josh		3		
			Write source code for defining words	7	Alexa	7			
			Review source code for defining words	2	Josh		2		
			Write unit tests for defining words	3	Alexa	3			
			Write acceptance criteria for defining words	0,5	Josh		0,5		
			Write acceptance tests for defining words	0,5	Josh		0,5		
			Execute acceptance tests for defining words	0,5	You				0,5
			Write internal documentation for defining words	1	Alexa	1			
			Write user manual for defining words	1	Alexa	1			
3	38	As a reader, I want to be able to be matched with a remote reader based on reading level, so that we both enjoy our time and feel equally challenged when reading together	Write source code for reading level matches	5	Josh		5		
			Review source code for reading level matches	1	Kat			1	
			Write unit tests for reading level matches	2	Josh		2		
			Write acceptance criteria for reading level matches	0,5	Kat			0,5	
			Write acceptance tests for reading level matches	0,5	Kat			0,5	
			Execute acceptance tests for reading level matches	1	You				1
			Write internal documentation for reading level matches	1	Josh		1		
			Write user manual for reading level matches	1	Josh		1
